Joe Cotton Ford Dealership Helps the Community through Golf Outings, Car Washes

CAROL STREAM, Ill. — During the summer months of May through September, Joe Cotton Ford helped out in the community by working with area high schools of Glenbard North and Bartlett and by supporting the 12th Annual Jacob Frazier memorial golf outing.

On May 17, Joe Cotton Ford helped the Bartlett girls' softball team and the Bartlett boys' volleyball team by holding two car washes at its Carol Stream dealership. The girls' softball team's car wash was from 10 a.m. to noon and then from noon to 3 p.m., then the boys' volleyball team's had their car wash. Then on June 7, from 10 a.m. to 1 p.m., Joe Cotton Ford hosted a car wash for the Bartlett High School Cheerleaders. The funds for the car wash went to providing new equipment, uniforms and any other needs that the teams needed to make their seasons successful.

On June 12, from noon to 2 p.m., Joe Cotton Ford held another car wash to support Carol Stream's Relay for Life by teaming with the Glenbard North's cheerleads. The cheerleaders raised funds for the American Cancer Society's Carol Stream Relay for Life. According to the Facebook page of Relay for Life of Carol Stream, Ill., the combination of events, including the car wash, raised over \$70,000.

Finally, on Saturday, Sept. 13, Central High School (CHS) Athletic Boosters held their 12th annual Staff Sergeant Jacob Frazier memorial golf outing at Black Stone Golf Club, which Joe Cotton Ford has supported for several years by donating a car. This year the dealership donated a 2015 Ford Fusion for the first person who shot a hole-in-one at the outing.

Jacob L. Frazier was a student and athlete at the Elburn high school. Once he graduated he went into the military, where he was killed in an ambush while deployed in Afghanistan. The contributions to this event go to the Illinois Military Family Relief Fund in his memory, awarding a scholarship in his name to two CHS seniors, along with supporting CHS athletes.
